Public Workshop on Municipal Building Program

The Montclair Township Council's **Facilities & Infrastructure Committee** will host a public workshop to gather community input on plans for housing the Township's main municipal offices and the Montclair Police Department. The workshop will be held on **Wednesday, January 14, at 7:00 pm** in the Council Chambers at Township Hall, 205 Claremont Avenue, and will be livestreamed on YouTube [here](#).

The session will focus on siting options and design concepts suggested by residents and stakeholders. Community members are encouraged to attend, watch online, and share their feedback in advance by contacting their Council representatives. Can't attend? Residents can weigh in by contacting Council members of the Facilities & Infrastructure Committee:

- 1st Ward Councilor Erik D'Amato (edamato@montclairnjusa.org)
- 4th Ward Councilor Aminah Toler (atoler@montclairnjusa.org)
- Councilor At-Large William Harrison (WHarrison@montclairnjusa.org)

HELP IMPROVE TRANSIT BETWEEN MONTCLAIR & NYC

**Take a brief survey to share your experiences
with bus & train service to and from NYC.**

What is the survey?

We're gathering community input on weekend and off-peak transit between Montclair and NYC. Your responses will help identify travel habits, challenges, and opportunities for better service.

How can I participate?

Scan the QR code or go to:
surveymonkey.com/r/mtctransit
Want to fill out a paper survey?
Call the Township Manager's office
at 973-509-4926

Now Open: Landlord-Tenant Advisory Committee Office

The township is pleased to announce the opening of an LTAC office at the Municipal Building. Residents are welcome to visit during the designated hours below to meet with an LTAC representative, ask questions, and/or submit an inquiry for assistance.

- **1st Tuesday of each month: 9:00 AM - 12:00 PM**
- **3rd Tuesday of each month: 3:00 PM - 6:00 PM**

The location is in Lobby Office #205, 1st Floor of the Municipal Building.

Voting Information for 2026 Special Primary Election

A Special Primary Election will be held on **Thursday, February 5, 2026**, to select party nominees for the U.S. House of Representatives seat in New Jersey's 11th Congressional District. This special election fills the vacancy left after Representative Mikie Sherrill resigned her seat. Here's what voters need to know:

Voter Registration Deadline: January 15

The Clerk's Office at the Municipal Building will have extended hours and **remain open until 9:00 p.m. on January 15** to assist residents with voter registration ahead of the registration deadline.

Early Voting Period: January 29 - February 3

Special Primary Election Day: February 5

More than 2,000 responses inform next steps for potential Montclair shuttle service

The Township's Local Shuttle Transportation Committee - part of the Montclair Public Transportation Working Group - began meeting in January 2025 to **explore options for a potential local shuttle bus service.**

During the summer and fall, the committee surveyed residents via Township communication channels, including emails, social media, press release, and flyers at community hubs. More than 2,000 residents completed the survey, with a strong majority expressing interest in a future shuttle service.

The committee will now use this feedback to evaluate service options, costs, and potential funding and partnerships, and to recommend next steps for consideration by the Township and Council. A summary of the survey results is available below and on the township website, and residents are encouraged to continue sharing feedback.

[Click here](#) to read a summary of the survey results, prepared by the Local Shuttle Transport Committee.

The committee continues to seek input from residents. Contact us via **info@montclairnjusa.org**

What is a Community Health Assessment?

The Public Health Accreditation Board defines community health assessment (or CHA) as a comprehensive picture of a community's current health status, factors contributing to higher health risks or poorer health outcomes, and community resources available to improve health. To summarize, it helps us determine the needs of the community through stakeholder and resident feedback.

What are the benefits of a CHA?

1. Improves organizational and community coordination and collaboration.
2. Strengthens partnerships within state and local public health systems.
3. Identifies strengths and weaknesses to address in quality improvement efforts.
4. Benchmarks for public health practice improvements
5. Baselines on performance to use in preparing for accreditation.

We're excited to begin this process of creating a Community Health Assessment that centers the Montclair community and provides us with the understanding of the needs of our community that will in turn help us create a Community Health Improvement Plan to follow.
